CIVIC WEEK is an event promoted nationally by **Civic Voice**, the national charity for the civic movement in England.

If you can help or contribute to making this week happen, please contact us.

Southgate District Civic Trust

"If you care ... have a voice"

Who are we?

Southgate District Civic Trust (SDCT) is an active *campaigning* society, with a strong local presence. We listen, advise, and support our members to be a voice and a champion for the local environment where we live and try to *protect, enhance and advance our local community*.

What do we do?

We talk sense! We enjoy ourselves! We get involved!

Members research the history of the area, producing **local history** bulletins and publications. We organise **meetings** open to all on a variety of topics including local history, environmental projects, local issues. Anything interesting!

We *lobby the council*, our politicians and national bodies when we believe it is necessary. We work closely with Enfield Council on local **planning**, environmental and social issues. We talk to developers.

We are members of Civic Voice, the national charity for Civic Societies and take an active part in discussions on national issues likely to impact us here in north London.

Where is our local area of interest?

Our area of interest is loosely based on the old *Southgate Municipal Borough* that was abolished in 1965 when the London Borough of Enfield was created. This area includes:

Southgate
Palmers Green
Oakwood

Southgate Green
Winchmore Hill
Hadley Wood

New Southgate
Cockfosters
